Important Note

Any student enrolled on an online course must have started the course in order to sit the assessment. Although we do not insist the course is completed before sitting the assessment it would be highly advantageous as the assessment tests are closely aligned to the course material. LEEA will check that a student has started the course before processing any assessment application.

5. Any request received to change a confirmed assessment booking, up to 8 working days prior to the assessment will be subject to an administration fee of £50 per candidate. No changes of any assessment details after this will be accepted. Any candidate that does not attend a booked assessment for which their voucher has been used, will have been deemed to have spent their voucher.
